Lamp, Desk Clock, Note Pad, Cigarette Lighter, or Statuettes in handsome colourful bases on onyx, bronzed metal, marble and glass, A handy Travel Set is another new feature.

This Christmas, too, Parker introduces the new Streamline Duofold matched Pen and Pencil Sets in jewel-like Permanite and moderne Black and Pearl.

These Pens are convertible for Desk Base in 10 seconds by simply attaching a taper. They are just as quickly transformed into Pocket

Pens by putting on a cap. So we include a Pocket Cap and Clip with every Desk Set-was extra-now Pocket Pen alone, if you choose a Parker Duofold, a Desk Base and taper can be added later and the price of a Desk Pen saved. No other is convertible. The first thing to look for is the imprint on

the barrel, "Geo. S. Parker - DUOFOLD," because it's the first thing your loved ones will look for Christmas morning. And it *guarantees the pen against all defects.

Shop early-Parker Duofold Gifts will be the first to so.
